EXPERIENCE

Organizer & Board of Directors

[2017 Yuri's Night San Francisco & Bay Area](#) Aug 2016 - Aug 2017

San Francisco, US

Yuri's Night SF & BA serves an audience of 600-800 space enthusiasts, to be held on April 8th, 2017

- Founded the first Yuri's Night at SF&BA via support from The Planetary Society (BoD has 5 members, with myself being the youngest)
- Established partnerships / sponsorship with prominent organizations such as Singularity University, International Space University, Made In Space, etc.
- Recruited ambassadors from universities and space advocates / public speakers in the area.

Deputy Space Settlement Student Coordinator

[International Space Development Conference 2016](#)

June 2015 - June 2016 Seoul, South Korea & Puerto Rico, U.S.

ISDC is the annual conference by the National Space Society

- Designed activities and programs for a student audience
- Recruited speakers to serve at the student / youth for space panel

Vice President

[Korea Youth Society for Aerospace](#) Sep 2014 - Aug 2015

Seoul, South Korea

KYSA is the largest student aerospace engineering community in South Korea, serving a community of hundreds of high school and undergraduate students

- Established the Division of Advanced Research (DoAR), for high-intensity, short-term projects for competition submissions and product development
- Signed 10+ partnerships and Memorandum of Understandings (MoU), including the Korea Aerospace Research Institute (KARI), Korean Air, and Korea Aerospace University

Secretariat Member, Planning & Public Relations

[25th Asia Pacific Regional Scout Conference](#) Sep 2015 - Nov 2016

Gwangju, South Korea

APRSC serves a global audience of 24.7 million members, of which 1,300 representatives from 40 countries attended

- Translated high-importance documents and scripts of high officials
- Serving as editor-in-chief of the conference newspaper, reviewed articles and oversaw the entire newspaper production schedule

Licensee / Lead Organizer

[TEDxYouth@KMLA](#) Oct 2014 - Oct 2015 Hoengseong-gun, South Korea

The first TEDx at Korean Minjok Leadership Academy

- Managed a venue, technical, and monetary sponsorship from the Korean Minjok Leadership Academy
- Managed a board of directors and an organizing committee
- Recruited 2 prominent speakers from Korea, one in the space industry, the other from design
